GIHHR PRESENTS: DR. SHUCHENG WANG JUDICIAL ENFORCEMENT OF INTERNATIONAL HUMAN RIGHTS UNDER CHINA'S AUTHORITARIANISM

Dr. Shucheng Wang, is a professor of Law at [City University of Hong Kong](http://www.cityu.edu.hk) and will be a visiting scholar through the GIHHR. Dr. Wang's talk on April 27th will be on *the topic Judicial Enforcement of International Human Rights under China's Authoritarianism* as well as similar topics; we are thrilled to learn more about these topics from such an elite professor in his field. The Global Institute for Health and Human Rights would like to invite students and faculty with the opportunity to attend this upcoming seminar.
